Approved July 9, 2001

NORTH SCOTT COMMUNITY SCHOOL DISTRICT

2001-02 DISTRICT GOALS

1. Implement the District's Comprehensive School Improvement Plan

Long Range Goal #1: All students will demonstrate progress in their reading performance.

Annual Goal 1.1 – We will increase the percentage of students who demonstrate a year's growth on a standardized reading comprehensive test, to be determined by the district.

Annual Goal 1.2 – We will increase the percentage of students scoring a five or higher on the Work Keys "Reading for Information" assessment.

Annual Goal 1.3 – We will increase the percentage of graduating seniors who have taken four years of language arts.

Long Range Goal #2: All students will demonstrate progress in their ability to apply mathematical concepts to effectively solve problems.

Annual Goal 2.1 – We will increase the percentage of students who demonstrate a year's growth in the standardized math test to be determined by the district.

Annual Goal 2.2 – We will increase the percentage of 4th and 8th grade students who achieve the problem solving standards as measured by the New Standards Math Reference Exam.

Annual Goal 2.3 – We will increase the percentage of graduating seniors who have taken three or more years of mathematics.

Long Range Goal #3: All students will demonstrate progress in their ability to use science inquiry skills to understand their world.

Annual Goal 3.1 – We will determine the percentage of students in grades 8 and 11 who are proficient in the use of scientific inquiry strategies as demonstrated on a performance assessment.

Annual Goal 3.2 – We will increase the percentage of graduating seniors who have taken three or more years of science.

Long Range Goal #4: All students will demonstrate progress in their personal, social, and civic responsibilities.

Annual Goal 4.1 – We will validate that the learning environment is inclusive, safe, disciplined, and accessible to maximize student learning.

Annual Goal 4.2 – We will decrease the percentage of student reporting that they have used alcohol, tobacco, or other drugs at all grade levels surveyed.

Annual Goal 4.3 – We will decrease the percentage of discipline referrals in grades 7-12.

Annual Goal 4.4 – We will increase the percentage of students in grades 7-12 who participate in instrumental music, vocal music, speech/drama, athletics, and art extracurricular activities either on or off campus.

Long Range Goal #5: All students will progress in their readiness for employability in an ever-changing world.

Annual Goal 5.1 – We will increase the learning opportunities and provide curriculum for all students that help them progress in their readiness for employability.

Annual Goal 5.2 – We will increase the number of students achieving a score of five on the 11th grade Work Keys assessments.

2. Implement the North Scott Strategic Plan as delineated in the action plans for the 2001-02 school year.

Planned Activities:

a. Develop a marketing plan to inform staff and community members of the action plans of the Strategic Plan being implemented during the 2001-02 school year.

b. Complete the steps and the following strategic action plans:

Strategy 14	We will implement a process to measure student achievement and growth. - This strategy contains the district's Comprehensive School Improvement Plan (automatic state mandate/must remain top priority)
Strategy 1, Action Plan 3	Assign training media and technological support staff.
Strategy 13, Action Plan 4	Establish an all-day kindergarten program when district financing becomes available.
Strategy 13, Action Plan 3	Enhance student wellness.
Strategy 7, Action Plan 4	Quarterly external newsletter to all North Scott boxholders.
Strategy 7, Action Plan 7	Comment form for community to write concerns, questions or suggestions.
Strategy 8, Action Plan 2	District-wide newsletter.

c. Develop action plans for the following new strategies:

Strategy 15	We will implement plans to increase diversity among staff, students and community. (Action plans will be developed)
Strategy 16	We will implement plans which create a culture that allows all employees to achieve professional and personal goals. (Action plans will be developed)

3. Develop and implement financial and business activities, which will maintain and improve the financial position of the school district as it relates to the district's educational mission.

   Planned Activities:

   a. Revise and update a 5-year financial plan.

   b. Implement the plan to improve the district's solvency ratio.

   c. Implement all recommendations as delineated in the 1999-00 district audit report.

   d. Develop and implement a plan for employees and community members that will increase their knowledge in regard to the district's financial status, budgeting process and procedures.

4. Maintain district facilities and grounds which enhance educational opportunities for students, provide a safe and desirable work place for our employees and foster utilization by the community.

   Planned Activities:

   a. Revise and implement a 5-year maintenance program.

   b. Develop and implement a traffic plan for all buildings, which will insure the safety of all individuals.

   c. Continue to address all of the standards in regard to facility accessibility contained in the Individual's with Disabilities Act.
